To the Collector
of
Trichinopoly

Sir,

The enclosed is copy of an Arzee addressed to me by the Polligar of Marungapuny — The ~~village~~ Hamlet therein mentioned named Woosalamputtee was never considered in dispute or was claimed by the inhabitants of Perimagaunum of your District in this time — This Hamlet was built by the ancestors of the Present Polligar fifty years ago and is dependant on a village named Ettoor within that Pollam and the land on which it is situated was cultivated by the inhabitants of the village ~~before~~ long ago this ~~Hamlet was in existence~~ ~~existed~~ — and from which period the accounts have been produced as well as other substantial evidence —

I have therefore to request you will inform me by what authority the assumption complained of had been made & if by your orders, that you would state the grounds ~~on~~ upon which the orders been issued that no time may be lost

in submitting the circumstance to the Board of Revenue.

Supposing the assumption to have been made by your orders I presume those orders did not extend to the destruction of the bank then on the ground or to the punishment of the Nuttamcurry for preferring his complaint to me — which has I am informed been done by the Nuttamcurry of Ammayanum and other inhabitants under your authority

Should this transaction have taken place ~~altogether~~ without your ~~directions~~ or knowledge I trust you will see the necessity of obliging the offenders to make good the loss [illegible] the inhabitants appear ~~the inhabitants~~ have sustained and if the ~~whole~~ circumstance has altogether happened without your knowledge I have to request that ~~you will punish~~ the Nuttum:cary of Ammayanum & the other inhabitants concerned may [illegible] receive that Punish:ment which so daring an outrage ~~merits~~ deserves.

I will be obliged to you for an early answer as [illegible]
